

Terror,the Echo Chamber

-Possible drama,I'll give you that.

-That's not all you'll give.

-Threats suck. And bore.

-Not in our circle.

-Anyway,you're making it an opera!

-Sing or get out!

-Who said that? Barnum or Hitler?

-Sieg or get out! I made a funny.

-Chilling.

-You never see the humor. We laugh all day around here. But who wouldn't,considering the opposition?

-Don't be surprised you're flipped out of office.

-Just as happy in the Resistance. Joy of Sabotage.

-Are you the worst officials we've ever had?

-Try worst people.
